

Faith Explorations

AN INTERFAITH WORKS SUMMER CAMP

Dear Faith Leaders & Interfaith Works members,

WE NEED YOUR HELP!

The only way to make this camp a truly interfaith experience for the kids is through content and contributions from Interfaith Works' Program Council and our member faith communities. Our aim is to support kids in gaining a sense of the diversity of the world's wisdom traditions. We need your help to make that happen!

VOLUNTEER to offer content from your faith tradition.

- There is capacity for up to 10 content blocks throughout the week. (1-2/day)
- Aim for 45-90 min content blocks. (flexible)
- Offerings could range from a child-oriented teaching about one's tradition, a puppet show, playing songs with the children that celebrate religious or cultural diversity, dances, an outing to view a religious building, doing a play with the children, reading a book with the children, arts and crafts, etc.
- Explore the theme "Who is your neighbor?" related to your faith tradition or practices.
- Have an idea you'd like to explore? We're here to support you from inspiration through completion, regardless of the support you need to develop it. Reach out to us if you have any questions or are ready to sign up!

SPREAD the word!

- Put up flyers where your faith communities or organizations gather.
- Advertise in your faith community's or organization's newsletter.
- Share this opportunity with your faith leaders and friends, with kids and potential content providers in mind!
