

INTERFAITH WORKS

Day of Remembrance

Honor and Dignity

You are invited to join Interfaith Works in a service of remembrance for those persons who have passed away in Thurston County in the past year, whose remains have gone unclaimed at the Coroner's office, as well as persons who have died by suicide or passed while experiencing homelessness.

This short interfaith service will be in-person at Mills & Mills Funeral Home with an online option. It will feature reflections from a regional faith leader, music, and reflective readings.
